

# CFC ZIPPER

## ABOUT US

The head office of APEX ZIPPER is situated in Rajkot (Gujarat, India) with an aim to deliver the best quality range of Zipper No. 10, Zipper No. 8, Zipper No. 5, etc. MR. KEYUR PATEL is the Owner of the company, who has been working hard to provide the clients with the finest array of zippers.

### OUR MANUFACTURING UNIT

We have a state of the infrastructural base that helps us to provide high-end zippers to the clients. Our infrastructural base is divided into the following divisions:

- Plant & Machinery
- Tool Room

We import the machines from the leading machine manufacturing houses, based across the globe. We ensure speedy production of the whole variety of components with the aid of imported plant and machinery. Moreover, our in-house production also has inquisitive testing mechanism to test the raw materials and end-products.

### WHY US?

Due to the given below reasons, we have become a preferred choice of everyone:

- Modern production machines
- Skilled team of professionals
- High-quality zippers at reasonable prices
- Timely-deliveries
